Insurance for Organisations and Enterprises

Who are we?

Dexia Assurances Belgique has developed a specific leading offer on the Belgian market for its biggest clients.

Who are our clients?

- Local authorities (Public Finance).
- Major voluntary and charitable organisations (Social Profit).
- Large enterprises with a turnover of more than EUR 8 million (Corporate and Mid-corporate).

What can we do for you?

We market all the life and non-life insurance policies you need to carry out your activities through various channels (direct selling with or without the collaboration of Dexia Banque, DVV agencies, specialist brokers).

Over 100 specialists guarantee top quality and a service tailored to your specific sector with its own risks and characteristics for villages, towns and cities, public social assistance centres, local authorities, hospitals, rest homes, schools, non-profit-making organisations and enterprises.

Your client benefits

- Detailed knowledge of your insurance needs and a customised, competitive offer.
- An historic presence on these markets and irreplaceable experience that makes all the difference.

And also...

Synergies within the same Group guarantee you will find an answer to all your questions on finance and insurance.
