## Dexia Insurance & Pensions Services

### Who are we?

Dexia Insurance & Pensions Services was set up by Dexia Life & Pensions in 2001 and provides employee benefits solutions on the Luxembourg market as well as for expatriates.

### Who are our clients?

- Companies employing more than 10 people on the Luxembourg market.
- European multinational enterprises listed on the Stock Exchange (CAC40, DAX, Bel20...), with or without pension funds in Luxembourg.

### What can we do for you?

Dexia Insurance & Pensions Services offers a full range of employee benefits solutions:

- group insurance solutions for employers working in Luxembourg;
- an integrated solution for expatriates (retirement, death, economic disability and medical expenses);
- a tailored solution for a European pension fund with a full range of actuarial, financial, legal and administrative services.

### Your client benefits

- A full, international range of employee benefits.
- The stability and know-how associated with an international financial market.

### And also...

Your company's staff are its most valuable asset. Dexia Insurance & Pensions Services will help you invest in your future together in an integrated way.
