Dexia Ingénierie Sociale

Who are we?

Dexia Ingénierie Sociale has been a brokerage company since the year 2000 specialising in welfare, health care and group pensions.

Who are our clients?

French enterprises with over 50 people, profit-making and non-profit-making private hospitals, the community sector, publicly subsidised housing, chambers of commerce...

What can we do for you?

Dexia Ingénierie Sociale distributes and manages group schemes relating to welfare and health care costs, as security for collective agreements signed by an enterprise, part of an enterprise or sector.

Our expertise gives you real added value, thanks to our comprehensive approach: legal audit, support in setting up schemes, exclusive management methods, fiscal and social optimisation...

Dexia Ingénierie Sociale is also your enterprise's ally in risk-prevention initiatives, notably initiatives preventing absenteeism.

Your client benefits

- Personal advice tailored to your enterprise and guaranteeing the best solution.
- Unique processes guaranteeing rapid returns.
- ISO 9001 certification.

And also...

Dexia Ingénierie Sociale is one of the top 10 French personal insurance brokers.
