The concerted action ended on 31 December 2012. In addition, the entities of the Arco Group in liquidation indicate that, by letter dated 28 November 2012, Belfius Bank & Insurance instructed Arcofin SCRL in liquidation to exercise the voting rights attached to the pledged Dexia shares at the Extraordinary Shareholders' Meeting held on 21 December 2012. Following objection arising from that instruction and of which Belfius Bank & Insurance was informed, the entities of the Arco Group in liquidation informed Belfius Bank & Insurance on 4 December 2012 of their position, from which it emerges in particular that the voting rights attached to all the shares held in Dexia are attributed to Belfius Bank & Insurance.

Notification from the Société Fédérale de Participations et d'Investissement ("SFPI") which crossed the threshold of 50% upwards.

Press release

DEXIA

The Extraordinary Shareholders' Meeting of Dexia SA held on 21 December 2012 decided to proceed with a capital increase the effective realisation of which was recorded on 31 December 2012. Acting as delegate, within that context the SFPI subscribed to 15,342,105,263 Dexia SA shares. The voting rights attached to the shares pledged by Holding Communal SA in liquidation and Arcofin SCRL in liquidation in favour of Belfius Bank SA, itself held 100% less 5,000 shares by the SFPI acting as delegate, were included in the previous declaration made on 30 November 2012 when Belfius Bank SA made use of its contractual right to give mandatory voting instructions concerning those shares. At this stage Belfius Bank SA no longer intends to exercise that right and the voting rights attached to the shares pledged in favour of Belfius Bank SA are consequently no longer included in the present declaration.

Notification from the French State (Agence de Participations de l'Etat) and the Société de Prise de Participation de l'Etat ("SPPE") which crossed the threshold of 40% upwards.
